Additional helpful information regarding medical record submission:

Altered Medical Records
Any alterations (covered, redacted, or assembled sections of medical records) render the entire document unacceptable.

Lipid Panel
A complete lipid panel is required and includes the following: Total Cholesterol, HDL – High-Density Lipoprotein, LDL Low-Density Lipoprotein, *and* Triglycerides. *Lipid panels from Wal-Mart, CVS, or other pharmacies are acceptable.*

Pictures and Screenshots
Avoid submitting pictures of medical records. Images are often distorted and unreadable.

Third-Party Vendors
Medical records from third-party vendors should be sent directly to the applicant—not to FBHP—because a passcode is required to access the records, and FBHP does not have access to the passcode.
